To,

All State Nodal Agencies

Subject: Celebration of World Environment Day on 5th June 2018: "Beat Plastic Pollution" theme by National Green Corps "Ecoclubs" of Ministry - regarding

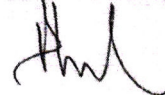

Sir/ Madam,

This is with reference to the celebration of World Environment Day on 5th June 2018. As you are aware that India is the global host of 2018 World Environment Day and "Beat Plastic Pollution" is the theme for this year's edition, the world is coming together to combat single-use plastic pollution. "Beat Plastic Pollution", the theme for World Environment 2018, urges governments, industry, communities, and individuals to come together and explore sustainable alternatives and urgently reduce the production and excessive use of single-use plastic polluting our oceans, damaging marine life and threatening human health.

In this regard, a meeting will be held under the chairmanship of Dr. A. Senthil Vel, Adviser on 13.4.2018 at 11.00 am in the Ministry to discuss the ideas related to celebration of World Environment Day on 5th June 2018 and to make plastic free "Green schools/colleges".

You are requested to kindly make it convenient to attend the meeting alongwith the principals of two active schools participating in Ecoclub programme. In case you are pre-occupied with official commitment, you may kindly depute a officer well conversant with the subject to attend the meeting. Agenda of the meeting annexed. A line in confirmation will be appreciated.

Yours faithfully,

(Dr. Ritesh Joshi)
Scientist "D"
